Clear Choice has 15 years of experience providing transcription services to law firms, private investigators, police departments, hospitals, insurance companies and corporate employers nationwide. We offer a variety of flexible programs to accommodate a wide range of budgets, accuracy requirements and deadlines. We have vast expertise transcribing video and audio recordings produced in a multitude of file types.

### Experience You Can Count On

We specialize in many different types of legal, business and insurance situations that require accurate, professional transcription services. These include:

- Witness interview transcriptions for fraud, insurance, legal and criminal investigations
- Court proceedings, arbitrations, briefs, pleadings and depositions
- Verbatim transcriptions
- Trial transcriptions
- Wire tap transcriptions
- Insurance claim statements
- Legal and workers compensation reports
- Interrogations
- Police and traffic accident reports
- Theft/property damage reports
- Interviews
- Teleconferences
- Speeches, lectures, meetings
